

On 31st December 2015, our school held its Annual event – ‘Fun Day’. It came as a new year treat for the students. Among the many attractive features of the day, were the class stalls put up by students of classes P1 to SS1, showcasing various creative games. These were accompanied by food stalls. The experience of setting up and managing stalls and also of managing money on their own in the fun yet watchful environment of a fete at school proved to be empowering for the young children. It was truly a ‘Fun day’, set up by students for the students, during school hours, leaving everyone wanting more
