

Workshop On “Child Abuse and Violence: Interpersonal and Digital World

In November, 2017, Delhi State Legal Services Authority conducted a workshop for school teachers on “Child abuse and violence: interpersonal and digital world”.

Its main aim was to impart awareness about the existing laws and punishment for acts of abuse and violence in the interpersonal and digital world and the justice delivery system thereof, with a view to make students, of age group 14-18 years, aware that their actions can have serious consequences. In short, to make them understand that what looks harmless can have grave consequences.

The workshop was attended by Ms. Neha Makhija and Mrs. Neena Kalra.
