

FOOD MELA

(PRIMARY DEPARTMENT)

Food is not just fuel. Food is about family, Food is about community and we nourish all these things when we eat well!

Keeping this in mind, A food Mela was organized for the students of classes P1, P2 and P3 on 18th, 19th and 20th December 2018. This food mela was for the children and for the children. The objectives of this event were manifold such as inculcating the basic eating etiquettes, creating awareness on healthy eating, encouraging the habit of sharing and motivating students to sit together and eat in harmony.

The event began with a short assembly wherein enriching programs that create awareness about healthy eating and basic eating habits were presented in the form of stories, poems, plays and shlokas. The healthy food items brought by students from home were shared and distributed to each child.

All the students sat together and enjoyed having food with their friends. Each and everyone relished this flavorful experience!
