Physical Development is an integral part of the Developmental Curriculum followed in the Primary Department of Gyan Bharati School. 'Khel Khel Mein, Khushi Khushi Se' is the annual sports event held to sensitize students towards the importance of physical fitness.

The much awaited Annual Sports Day and Day Camp was organized for the students from classes P1 to P5. With great enthusiasm, students participated in various races followed by adventurous activities such as Zorbing Roller, River Crossing, Commando Crawl, Commando Net, Hopscotch, Rope Climbing, Flying Fox and many group activities.

The children cheered and encouraged the young athletes who ran with a lot of energy. It was a delight to see the excitement with which the children challenged themselves and did all the activities with full enthusiasm.

Such activities gave our students an opportunity to be physically active, overcome their fears and be more confident and independent. It also helped in building motor skills, coordination skills and most important taught them life skills.

The event was a great success. The collective energy of the children and the facilitators made it a memorable experience for all.
