

INDEPENDENCE DAY CELEBRATIONS

CLASS P4 AND P5

The Primary Department consisting of the 4th and 5th standard students along with the Middle School students of Gyan Bharati School participated with zeal and enthusiasm in the Independence Day assembly on 14th August 2019. The chief guests for this program were the Brahmakumari Sisters.

At the beginning of the program, our Principal, Mrs. Nishi Manglik gave a speech and prepared the students for flag hoisting. During the flag hoisting, the children of our school depicted the national anthem through sign language. It was an initiative taken to sensitize our students and staff and bring about the patriotic feeling for their country.

The Primary Department also performed a classical dance. They were dressed in beautiful outfits and awed everyone with their performance. Soon after, there was a performance by the choir which stunned the crowd with their melodious voices. Thereafter was a play in which the Primary as well as the Middle school students participated together. At the end of the program, our Primary Coordinator, Mrs. Anupama Chand gave vote of thanks and praised all the students for the hard work they had put in.

The students were in perfect sync and showcased a splendid performance which was highly appreciated.
