

## SPECIAL ASSEMBLY ON WORLD MOSQUITO DAY

To spread awareness of dengue and provide a safer and healthier learning environment, children of class P4D observed 'World Mosquito Day' on 20<sup>th</sup> August 2019 which covered dengue awareness activities. Students made placards conveying the message to prevent dengue.

A special assembly was organized to spread awareness about the importance of proper environment and sanitation in the fight against dengue. A play highlighting the causes, possible breeding sites of dengue mosquito and home remedies to prevent it, was presented by the children. Shaurya Pant recited a poem on mosquitoes and its effects.
