

OUR YOUNG ACHIEVER-KARUN SARIN

'Work Hard, Be Kind And Amazing Things Will Happen.'

- Conan O'Brien

WhiteHat Jr is an organization which has developed kids programming courses that allow kids, teens and young adults to learn how to code.

Karun Sarin of class **P5E** enrolled himself in this programming course and we are happy to share that he has been awarded a certificate by White Hat Jr for his exceptional skills and outcomes in Game Development. It is indeed a proud moment for all of us!
