

REPORT

ANVESHAN AND MATHEMANIA 2017

“Maths and Science are the life blood of the future. The literacy of science and Maths has all the solutions of today’s and tomorrow’s problems”. These words bring attention to the significance and the indispensability of science and mathematics in making our lives all the more comfortable and easier.

Keeping this in mind, Gyan Bharati School, Saket, hosted its Annual Science and Mathematics Fest – Anveshan & Mathemania, on the 6th May, 2017 to celebrate analytical thinking, curiosity and logic, the three attributes that make up the very foundation of science and mathematics.

The fest was a success because of the support, creativity, hard work adorned with the dynamic participation of students from over **19** distinguished schools of Delhi. The Chief Guest Dr. Harvinder Popli ,Professor of Pharmaceutics, Delhi Pharmaceutical Sciences and Research University, graced the Fest with her enthused presence.

The program commenced with an invocation of Lord Ganesha, by Ananya Gupta in the form of a Bharatnatyam dance. This was followed by the commencement of all five events simultaneously. The fest was marked by healthy competition and exuberant participation of the students.

At the end of the day, Modern School Barakhambha Road bagged the first position in Rangometry, Puzzles, Animation and the Science and Mathematics quiz. DPS, R K Puram emerged victorious in the Treasure Hunt. Modern School Barakhambha Road with their outstanding overall performance bagged the Rolling Trophy for Anveshan and Mathemania, 2017.

The gathering was addressed by the honourable Chief Guest. The prizes were given away by the Chief Guest Dr. Harvinder Popli, Director Mr. R.C. Shekhar, Principal Mrs. Nishi Manglik and Vice-Principal Mr. Sanjay Bhardwaj and the programme was concluded with a vote of thanks.
